## SCAM ALERT

Attorneys in other states have reported emails allegedly from disciplinary authorities which contain ransomware. These emails tell the lawyer a complaint has been filed against them, and they should respond to the disciplinary board. This is a scam to spread ransomware or malware. **The Office of Lawyers Professional Responsibility does not initiate investigations by email.** Complaint investigations are always commenced by a notice of investigation sent through U.S. Mail. Do not open emails from unknown or unexpected sources. If you have any questions about the legitimacy of any communications from the Office, please call the above number.
