Larry Baill

Larry Baill currently serves on the Fourth District Ethics Committee, which he joined to contribute his skills as a lawyer to the community after retiring from practice. Larry mentioned that it has been a great experience, but as much as he has valued our work, he is very pleased to end his career never having been subject to one of our investigations! Before retiring, Larry was a founder of Wasserman, Silberman and Baill which eventually became Yost and Baill, where he practiced with his brother for over forty years.

Larry also enjoys spending time with his two children and daughter-in-law, who all live in town. His first grandchild, Benny, was born last Thanksgiving! He has also enjoyed traveling the world with Sue, his beloved wife of 42 years. Together they have wandered to faraway places from all corners of the world. Larry has fortunately been able to take photos of the landscapes, people, and animals while on their adventures.

The Hennepin County Bar Association photography club was started by Larry and Paul Floyd, and Larry served as Chair after Paul retired from the club. In addition to photography, Larry is a self-described pickleball devotee and even built a court in his back yard!

Larry was nominated by several of his fellow DEC members, who said that Larry has been a tireless, dedicated, thoughtful, and inquisitive investigator for a number of years. His input and questions are always greatly valued at every meeting he attends. He has also been an invaluable mentor to numerous new investigators.
